

Amendments to the Specification:

Please delete the paragraph beginning at page 3, line 25, which starts with "The water-dissipatable olefinic polymer may" and replace it with the following paragraph:

The water-dissipatable ~~olefinic~~ polymer may be a polyurethane, polyester or an olefinic polymer. Preferably the water-dissipatable polymer is an olefinic polymer. An olefinic polymer is a polymer obtainable from the polymerisation of one or more olefinically unsaturated monomers.
